European Shore Fishing Championship

EFSA NETHERLANDS

Shore Fishing Netherlands

President's welcome

Dear fellow EFSA anglers and friends,

For this year's EFSA European Shore Fishing Championships we welcome you to Holland!

EFSA Netherlands have become a regular hosting section for these competitions.

Many anglers are happy to return to these shores as they have come back from previous ones with fond memories of those fish being caught off those beautiful beaches.

The fact that we are going to meet in May will hopefully prevent us from being exposed to storms and cold weather.

When we were talking about the preparations for this event I have become more and more impressed by the professionalism with which Miranda and her organising committee have been planning these championships. You can expect many aspects such as getting your gear to the fishing spots being catered for.

But also non fishing companions will enjoy the fact that Rotterdam and The Hague as well as the Belgian cities like Antwerp and Ghent are only a short car journey away. That should, however, not distract from the beautiful nature to be explored near the fishing venues.

I am looking forward to meeting many of you!

Marcus Wuest
EFSA President

EFSA NETHERLANDS

Dear EFSA fishing friends,

It is with great pleasure that I invite you all on behalf of The EFSA

Netherlands to participate in the 30th EFSA Championship Shore Fishing on May 10-13, 2023 Noordwijk.

We see it as a big challenge to be able to organize this Championship for the fifth time. The beaches on the North Sea guarantee a variety number of fish species. Noordwijk is centrally located between the Cities of Amsterdam, Rotterdam and The Hague, so that it is very easy to visit these Cities. The organization is again in the hands of Miranda Koop, Clarinda and Frank van der Zande. They have succeeded in organizing an excellent program for a favorable rate. I hope to welcome many of you in May 2023 and wish you a pleasant stay and an excellent Tournament.

Frans van Oss

Chairman EFSA Netherlands.

On behalf of EFSA The Netherlands we would like to invite you to the 30th EFSA SHORE competition. Please come and fish our beautiful beaches once again.

After Texel , Domburg twice and Heinkenszand, we will be taking you to Noordwijk this time. 6 km of fishy beach, more northerly, just waiting for you all to cast out your leads.

While you all fish the competitions your significant other halves can enjoy themselves in town. Or in the lovely small villages just a short drive from Noordwijk.

We would like to thank the local club “De Sportvisser “ whole heartedly for letting us use their Clubhouse , tractors and all other assistance they have given us in setting up this event.

The weather should be really great in May. But heyit’s EFSA SHORE. What would it be without some rain.

After a beached tanker , a howling south-westerly storm, frost and a beached whale we really don’t know what else we could do to make this a typical EFSA NETHERLANDS SHORE EVENT.

Tight lines all and we hope to be able to greet you all once again on the 10th of May 2023

Miranda Koop

Noordwijk aan Zee

is an energetic seaside resort where you can enjoy unique activities all year round. Look for your favorite terrace, the most beautiful stretch of beach or shop til you drop. Feel the warm sand between your toes on a beautiful summer day, seek adventure with a water activity or go hiking in the vast dunes. Noordwijk aan Zee offers it all.

A bustling seaside resort

Noordwijk aan Zee is an experience all year round. Go shopping in the cozy Hoofdstraat or get an ice cream at one of the many ice cream parlors. Catch the first rays of sunshine on the beach in the spring, rent a beach bed in the summer, take colorful walks through the dunes in the autumn and seek out the conviviality of a nice restaurant in the winter. Noordwijk aan Zee is fun, on the water, in the sand. You don't have to do much to enjoy this place. Put down your beach towel, go fishing or watch the kite surfers fly into the sky and enjoy life. There is always an activity in Noordwijk aan Zee that suits you.

Championship Rules 2023 Noordwijk The Netherlands

1. The Championships will be run under the EFSA General Shore Fishing Rules in force at the time of going to print. The only time they may alter will be by dispensation asked for at a Standing Committee Meeting, or a rule changed by a AGM before the Championships.
2. Only one rod and reel may be used at the time, a second rod may be assembled but no terminal tackle attached.
3. A maximum of three hooks are allowed on a trace. No trebles are allowed.
4. Spare baited traces are allowed.
5. No wading above knee level.
6. Competitors must return to their peg on the foreshore after casting.
7. Pendulum casting is not allowed
8. Anglers will be drawn into their zones at registration and must fish from their allocated peg as drawn at peg no. 1 at their zone, one hour prior to the session.
9. The only bait allowed is the one supplied by EFSA Netherlands with NO bait additives.
10. Unused bait must be disposed of at the end of each session and not carried over.
11. Competitor must offer the fish for measurement if Possible on the trace to a neighbouring angler and return the fish in plain sight of neighbouring angler (not from the same nationality)
12. All fish must be returned.
13. Competitors trying to increase the length of any fish will be disqualified.
14. Dead or damaged fish will not be accepted for measuring
15. Each angler must return their score card to the allocated angler at the end of the session and sign the mastercard for their score before leaving the zone. Failure to do so may result in disqualification.
16. Anglers must remove all litter, bait and dead fish from their peg on the shore at the end of each session. Failure to do so may result in disqualification.
17. The Organizers shall not be liable for any loss or damage incurred during the Championship.
18. The relevant team captain must hand any complaint, in writing, to the Organizers within 3 hours of the end of the session.
19. All fish are measured in centimetres and must be over 10 centimetres. Fish is counted down. For example 9,9 cm = 9 cm and doesn't count
20. Mackerel, weaver and sandeel do not count
21. The protest committee will consist of Phil Lustig (EFSA HQ), Miranda Koop (EFSA Netherlands), and three other committee members from representing countries.
22. The results will be published 2 hours prior to the Prize giving.
23. Please use your common sense. We love to deliberate in the pub with a beer and not with the protest committee :-)

This year we have 1 main venue about 6 km long. This is venue Noordwijk near our headquarters

For emergencies such as bad weather or unfishable beaches we have venue Noordzeekanaal
adres: Velserdijk, 1981 AA Velsen-Zuid

This year we have 1 main Headquarters and 1 Beachquarters if the weather allows. Both of them are on the way from Parking Wantveld Noordwijk to the Venue Noordwijk. Parking Wantveld is the cheapest place € 10,00 daily to park your car near Headquarters. From there it is a 150 meter walk to Headquarters and from Headquarters to Beachquarters it is a 250 meters walk

Parking venue Noordzeekanaaladres: Velserdijk 2, 1981 AA Velsen-Zuid

4. General Shore Competition Rules.

4.1 Angling will be from a peg allocated by means of a draw which will take place on peg 1 of each zone every day. Competitors must fish from their allotted peg number.

4.2 All matches to be pegged in 5 zones. The fishing zones for each competitor for each day of the overall competition will be drawn on the registration evening.

4.3 All Shore Championships shall be fished over 3 qualifying days.

4.4 A minimum size list shall be given to all competitors before the competition starts.

4.5 The start and finish of the match will be signalled by a whistle, or other audible or visible signal.

4.6 Competitors are allowed to wet and stretch their lines with the use of a plain lead with no trace attached, but not in the 15 minutes immediately prior the start of the match.

4.7 Competitors shall not have in use more than one rod at a time. Additional rods are permitted but must not have terminal tackle attached. A maximum of three single hooks per trace is allowed, a pannel rig will count as 2 hooks. Spare baited traces are allowed.

4.8 The use of bait additives or extracts is not permitted, and the practice of 'ground baiting' and/or the use of 'rubby-dubby' is prohibited.

4.9 Beads, sequins, tubing, muppets and other attractors. All of these are allowed on hook lengths, with no restriction on length, quantity, or combination of these, as long as nothing hangs below, or protrudes over, the eye of the hook.

4.10 Floats and float fishing are not allowed unless the float is tethered to a ledged line.

4.11 Assistance may be given to land a fish, but no one other than the competitor shall handle the rod, except for reasons of safety.

4.12 A fish which is hooked behind the gill cover is classed as 'foul hooked'. If a fish is so hooked, or is hooked on more than one line, it is automatically disqualified and should be returned to the sea immediately where practicable. This also applies to fish landed on lost traces. The responsibility for observing, and implementing this rule, comes under the jurisdiction of the neighbouring angler.

4.13 All competitors must bait their own hooks and must cast and retrieve their own tackle/traces. Assistance is allowed with the extraction of hooks. In the case of a Junior sharing a peg or on an adjoining peg the fishing sponsor may cast on their behalf, but they must bait up & retrieve themselves.

4.14 Bait will be provided each day, by the organizers, sufficient for that day, and will be placed in similar bags to be picked at random by the participating anglers. Competitors are not allowed to use any bait other than that supplied. Any infringement of this rule will result in automatic disqualification. Upon conclusion of each day's fishing any unused bait shall be disposed of. No bait shall be carried over to the next day.

4.15 All competitions are to be run on a 'catch and release' basis, and points awarded at 1 point per centimetre length, and 5 points per fish. No fish = no points.

The angler with the greatest number of points will be awarded first place, and 2nd, 3rd, 4th places etc. given to competitors in descending order of points scored.

In case of a 'tie' those concerned will receive the same 'zone' points. Descending number will continue to take account of tied scores.

4.16 The zone winner will receive a point per number of anglers in the zone i.e., 9 anglers = 9 points, 2nd place angler will receive 8 points. In the event one zone has 10 anglers, then the winning angler of EACH zone will receive 10

points and the rest of the positions will be scored pro rate.

4.17 The winner of the Championship will be the angler with the most zone points over the 3 days.

In the event of a tie total fish score will decide followed by greatest number of fish. If there is still a tie, then the total length of fish caught will be calculated. This rule only applies to the overall results and not the daily results.

4.18 When an angler catches fish, they are permitted to cast out another trace before taking the fish to be recorded. However, they must not retrieve that trace until their previous catch has been dealt with. All competitors must have their fish recorded by an angler who is not a member of their own team or Section.

EFSA NETHERLANDS

4.19 It is a condition of entry that all anglers must be prepared to act as stewards. All competitors must have their scorecard signed by their neighbouring angler and must sign the zone master sheet before leaving the zone. Failure to comply will result in disqualification for that day.

4.20 Fish may be kept in water, but any physical attempt to interfere with the size of the fish (e.g., extend their length) shall lead to the disqualification of the competitor. The match organisers' decision, with regard to the size of the fish at the time of recording, or in the event of any dispute not covered by these rules, shall be final.

All undersized fish must be returned alive immediately after capture where practicable.

4.21 No allowance can be given for shrinkage occurring from the time of capture to the time of recording. This rule mainly applies to events where a dispensation has been granted to retain captured fish.

4.22 No competitor shall fish along the waterline closer than five metres to another competitor, other than by mutual consent.

4.23 Any fish to be kept for culinary purposes must be over the minimum size and must have the tail removed once being humanely dispatched in full view of the angler signing for it.

4.24 Competitors are only permitted to wade into the sea up to their knees in order to cast but must then return to the beach.

4.25 No competitor shall fish in the match area in a period commencing seven days before the start of each day's angling

4.26 The match organisers have the right to refuse any entry.

4.27 Double drawing of pegs is not permitted.

4.28 Any complaints must be submitted in writing to the match organisers not later than 1 hour after the end of the match. The decision of the match committee shall be final.

4.29 All competitors must return their peg marker to the zone official and return their angling scorecard when signing out.

4.30 Any competitor who acts in a manner considered by the organisers to be against the spirit of the competition or the interests of the other anglers and fair play may be disqualified at the sole discretion of the organisers.

4.31 Weavers, Mackerel, Sandeels and/or Launce cannot be recorded. A dispensation may be sought by an organizing section when applying for an event.

4.32 A shock leader of minimum 24kgs. breaking strain and not less than 7 metres long shall be used by all competitors. Tapered shock leaders are permitted.

4.33 All competitors shall collect and remove their rubbish and used traces from the beach at the end of each day's fishing and dispose of responsibly.

4.34 The Organising Committee and EFSA shall not be held responsible for any loss, damage, accident, or injury occurring during the event. (See 2.8 in General Rules)

4.35 The Organising Section shall appoint a protest committee consisting of four members of separate competing Sections wherever possible and an HQ officer if present.

4.36 All open 2-, 3-, and 4-man teams to be a blind draw.

4.37 A National / Section Team shall consist of 5 anglers. The best 4 scores will count each day.

4.38 A maximum of 2 teams can represent a Section.

4.39 All fishing will be to EFSA fishing rules. Any dispensations from the EFSA rules for Championships, whether from the check list or the main shore rule list, must be applied for in a Standing Committee meeting and communicated to all anglers competing prior to commencement of the event.

4.40 In the event of 2 or more anglers' traces becoming tangled in the water, none of the traces or lines may be touched or interfered with until all the anglers concerned are present and the said traces are on the beach ready to be untangled. Any fish that falls off the hook while the tangled traces are in the process of retrieval will be discounted for all concerned. Only fish that are witnessed to be hooked and with agreement to ownership from all concerned parties may be recorded on the score card, after disentanglement if necessary.
