EFSA European Species Championship / Langeland 2024

Welcome to Langeland!

It is now the fourth time that Langeland has been selected by EFSA for hosting a European Championship. Whilst the Langeland Belt and beaches on the east side of the island have regular visitors from Germany and Denmark, it is always an extraordinary privilege to host an event of such international class.

Langeland is one of the islands of the Funen region in southern Denmark. The unusually long shape of the island gave Langeland its name (Langeland meaning the 'long land'). Being surrounded by the milder climate of the Baltic Sea, the region is very popular for tourists. Apart from fishing, there are plenty of opportunities to do other things like sailing, sightseeing, hiking, and bicycling. Ferries and bridges connect the Funen islands, including Langeland with the rest of Denmark.

For this competition, flatfish will be the target. In the waters around Langeland late autumn is the most prolific time of the year for this kind of fishing. The two main species of flatfish caught will be flounder and dab. However, plaice and turbot might make an appearance too.

EFSA Germany is proud of being selected as the host for this year's species championship and wish all competitors a successful and enjoyable time!

On behalf of EFSA Germany,

Thomas Reinhardt

EFSA European Species Championship / Langeland 2024

Date: 06.10.2024 to 11.10.2024

Location: Denmark/Spodsbjerg, Langeland

Headquarters will be at Hotel Rudkøbing Skudehavn, addr. Skudehavnen 21, 5900 Rudkøbing Organiser:

EFSA Section Germany Entry fee: EUR 425,-

EFSA European Species Championship will be run as a small boat competition out of the port of Spodsbjerg, Langeland. Each boat will carry a maximum of **four** anglers. The target species are flatfish.

When registering we ask each angler to state if they have a qualification to operate a boat (such as a RLNI international certificate, or someone who is familiar with operating these boats).

In the draw, **two** of these qualified anglers will be assigned to each boat – with a lead skipper angler to be named. The other up to **two** anglers will be drawn to each boat at random (section teams to be separated as per EFSA rules).

The organisers will nominate a lead boat which all skippers use to orientate and fish the designated fishing area.

Boats: IBI BOOTSVERLEIH will provide boats that can carry up to **six** anglers – so there is plenty of space. The cost of fuel will be included in the entry fee. Included is one tank full of fuel per fishing day and a Third Party Insurance.

EFSA Germany is with the support of ANGELCENTRUM LANGELAND and IBI BOOTSVERLEIH the organisers of this competition.

ABOUT THE COMPETITION

Fishing will take place on Monday, Tuesday, and Wednesday. The organisers will publish all information such as results and changes regarding the fishing etc. at the headquarters *Hotel Rudkøbing Skudehavn* and at *Angelcentrum Langeland*.

Everyone between the ages of 18-67 needs a fishing license. You can buy it at www.fisketegn.dk

Recommended fishing tackle:

- Rods of approx. 3m in length
- Lead weights of approx. 50 150g
- Hook size 2 to 1/0
- Small beads on the hook length
- Fixed spool or multiplier reel with
 0.28mm to 0.35mm line
- Paternoster or running trace

Entry fee includes:

EFSA European Species Championship / Langeland 2024

Fishing Rules:

- Sailing time: 08.30 to 15.30. We will check the timely return of all participating vessels.
- O Score: punch cards − 1 fish = 1 point; over 45cm = 3 points. Each boat will have two clippers on board. Nobody is allowed to clip their own score card.
- O Life vests must be worn at all times.
- Fishing is only permitted with the bait provided. Bait must not be carried over from one day to the other. The bait will be ragworm and frozen salted sand eels.
- Only flatfish score. 1 point per flatfish caught unless the length is 45cm or above. Flatfish over 45cm or above score 3 points.
- We will fish from drifting boats with around four anglers per boat.
- O Max. two single hooks.
- Underhand casting allowed with weights, bait and hooks outside the boat at all times.
- Fishing is catch and release, score cards will be given to all participants. Fishing captains on every boat to check bigger fish. If you want to keep the fish, you have to cut off the tail immediately (have to be above the legal minimum sizes for Denmark at the time).
- The angler with the most points over the two days wins (no % score). If anglers are equal on points, the angler with the largest fish wins. If there is a draw still the higher number of fish will be taken into account.
- Undersized and protected fish need to be released immediately and carefully (see table at the end of the brochure).
- Open Pairs EUR 10 per pair to be paid at registration Executive teams of 3 blind draw.
- O Headquarters will be Hotel Rudkøbing Skudehavn, Rudkøbing.
- EFSA Uniforms must be worn at Registration and Prize Giving.
- Otherwise EFSA boat fishing rules apply.
- Anglers above the age of 18 and below 65 require a fishing license to fish in Danish waters. You can by the license at www.fisketegn.dk

Opening: Sunday
Training Day: Monday

Competition: Tuesday and Wednesday

Prize Giving: Thursday

This is the first attempt by EFSA of running a small boat competition. It is not life and death so please can we have all anglers taking good care of their fellow competitors. With all the upheaval following COVID-19 and the inflationary pressures on all of us, we have been trying hard to get anglers out fishing and have to try new formats. If this event turns out to be a success, we will have more of these to come.

Thanks,

The organisers Marcus Wuest / Thomas Reinhardt

Esbjerg: Ferry Crossing to Esbjerg, Denmark from Harwich and then further by car Kolding - Odense - Svendborg - Langeland

Langeland is a Danish island located between the Great Belt and Bay of Kiel.

The island measures 285 km² (c. 110 square miles), and has a population of roughly 15,000. The island produces grain and is known as a recreational area. A bridge connects it to Tåsinge via Siø - a small island with a population of approx. 20 - and the main island of Fyn(to the northwest). Also there are connections by car ferry to the islands of Lolland, Ærø and Strynø.

The famous physicist and chemist Hans Christian Ørsted was born in Rudkøbing - the largest city on Langeland.

Administratively, the island is also a municipality (Langeland municipality).
