EFSA SOUTH AFRICA  
PRESENTS:  
THE GAME CHAMPIONSHIPS  
6<sup>th</sup> – 10<sup>th</sup> May 2024

**ATLANTIC BOAT CLUB**

Harbour Rd, Hout Bay, Cape Town, 7806

## **BRIEF HISTORY**

Hout Bay, nestled along the stunning coastline of South Africa's Western Cape, boasts a rich history that dates back to the 17th century when it was initially inhabited by the indigenous Khoikhoi people. The bay was later discovered by European explorers, and in the 18th century, it became a vital stopover for ships traveling along the treacherous Cape of Good Hope.

Today, Hout Bay is a charming seaside town with a vibrant fishing industry, known for its picturesque harbor and the colorful fishing boats.

The area is also celebrated for its natural beauty, with the majestic Chapman's Peak Drive offering breathtaking views of the bay and surrounding mountains. Hout Bay offers visitors a mix of cultural experiences, from the vibrant Hout Bay Market to the historic Kronendal Village.

Additionally, the bay is a gateway to Seal Island, home to a large Cape fur seal colony, making it a popular spot for boat tours and wildlife enthusiasts. With its rich history and diverse attractions, Hout Bay is a must-visit destination for those seeking a taste of coastal beauty and cultural charm in South Africa.

# WELCOME LETTERS

Dear fellow EFSA anglers and friends,  
For 2024's EFSA European Game Fishing Championships we welcome you to Hout Bay, Cape Town in South Africa!

It has been a while since EFSA have visited the productive waters to fish for our prestigious pins. Our friends from SADSAA have been regulars fishing our European waters in various boat fishing events. So it is a great opportunity for our members to visit their country.

Quite a few game anglers will be happy to return to these shores as quite a few yearsback they would have left with fond memories of those big fish being caught.

When we have been talking about the preparations for this event I have become more and more impressed by what Nick Nel and his organizing committee have arranged for these championships.

Anybody familiar with South Africa will be looking forward to the local cuisine and the general wild life.

Especially the non-fishing companions will enjoy both of these like visiting the Boulders beach penguin colony or exploring the South African Naval Museum.

I wish SADSAA a huge success with running our EFSA Game Fishing Championships!

Marcus Wuest  
EFSA President

A warm welcome to all the anglers, dignitaries, families, and friends, to this, the 2024 EFSA Big Game Championships. This tournament has been a long time in the planning and is the culmination of an enormous amount of effort that began back in 2021. We are truly excited and feel immensely privileged to be able to host such a prestigious event and thank EFSA for the trust they have placed in us to do this.

Hout Bay, in our host city of Cape Town, is without a doubt an incredible venue; rich in history and culture. As a base from which to leave and return daily, I am sure you will find it ranks amongst the best in the world. On the days that you and your families are able to explore the town and its surrounds, I am confident you will not be disappointed. It is certain that you are all in for a busy and exiting week of angling.

South African Deep Sea Angling Association and our hosts, Western Province Deep Sea Angling Association, have an incredible tournament planned. Our thanks to them and their organising committee for putting this all together. Equally, I would like to thank the Atlantic Boat Club, for making their beautiful venue available to us without reserve. I am sure you will receive only the best South African hospitality on offer throughout your stay.

We are deeply indebted to our Provincial bodies that so willingly host these prestigious events every year. It is no easy task to put tournaments like this together and the contribution and effort by the provinces, its anglers, skippers and committees does not go unnoticed nor unappreciated.

We must also thank the anglers, who make these competitions so enjoyable and something that all look forward to year after year. Finally, to all the competitors, I wish you tight lines and fair weather. Make your countries and yourselves proud. Fly your flags high whether on the water or at the venue, and most importantly, have fun.

Chris Schorn  
SADSAA President

I am delighted that the EFSA Game fishing championship will be held at Hout Bay in the Western Cape of South Africa. We are looking forward to fishing for yellow fin tuna, in some of the best waters in the world for that species. This will also be a great venue for the anglers' families with Cape Town and its excellent scenery being so close at hand. There is also the chance to go on safari, visit the local wineries, see the penguins on the local beaches, go whale watching on the False Bay coast, take a charter cruise to Seal Island, go Scuba diving or snorkelling at Cape Radd or just laze on the spectacular local beaches. My thanks to SADSAA and particularly Nick Nel for organising what I am sure will be an excellent championship with some spectacular catches.

Andy Smith  
EFSA Game Festival  
Officer

Dear Fellow Anglers,  
On behalf of Western Province it is an absolute pleasure to host the EFSA Big Game Championships in South Africa. We are very excited to host the 2024 Championship in the wonderful Hout Bay, Cape Town. The venue of Hout Bay is known to many big gamefish anglers and has produced some wonderful fish over the years. We invite you to join us and discover this magic coastline and come and enjoy the big fight with our majestic Yellowfin Tuna.  
We hope that the participants in this edition of the world championships will leave herewith good memories and many friends made and I look forward to meeting you all and hosting you in Hout Bay, Cape Town.

Colin Joubert  
Western Province  
Chairman

## **BOATS AND SKIPPERS (CAPTAINS)**

A list of Tournament Boats and Skippers (Captains) will be supplied by the Tournaments Committee from which the teams will select, through aboat draw at the opening briefing, their vessels for the week.

Only boats that hold a current, valid South African Seaworthy Certificate (Certificate of Fitness or Local General Certificate) for that year may be used in the Tournament.

Only Skippers considered to be competent by the SADSAA and the host Province will take part in the Tournament, and they should hold are recognized valid Skippers ticket (Certificate of Competence).

Each boat will carry a Skipper, a deck hand and an international team consisting of three (3) anglers.

The Skipper of the boat will be bound by IGFA Rules except that he may not assist the competitors in the making up of terminal tackle or the rigging of baits whilst at sea. Only one person, either Skipper or second crew member, may assist at anyone time.

Skippers will adhere to all rules, radio reporting times and procedures as laid down by the organisers.

## **FULL RELEASE TOURNAMENT**

This tournament will be a full measure and release (M&R) tournament, and weight allocation per fish will be by the way of a colour coded measuring stick.

## **TACKLE, EQUIPMENT AND RULES.**

This will be a 50lbs (24kg) line class tournament.

Heavier breaking strain line, other than the prescribed line class, is permitted on the boat for the exclusive purpose of towing teasers or utilization for leaders and traces.

Any team member using line with a heavier breaking strain than the line class of the Tournament will result in his entire boats catch being disqualified for that day. This excludes the line when used as described and covered under 3.1 above or 3.4 below.

The IGFA weakest link rule will apply as described below:

Monofilament, multifilament, and lead core multifilament lines may be used.<sup>3.4.2</sup> Wire lines are prohibited.  
Backing is permitted but may not exceed 130lbs (60kg)

The catch shall be classified under the breaking strength of the first 5 meters (16.5 feet) of line directly preceding the double line, leader, and hook. This section must be comprised of a single, homogenous piece of monofilament line and may not exceed 130lbs (60kg) line class. All tackle and gaffs shall conform to IGFA Rules (with additions as stated in these rules) as it applies to the line class used.

No braid line may be used for the "weak link" but may be used before the weak link as backing.  
Spooning and popping is permissible.

**The use of offset circle hooks is not allowed.**

If fishing with circle hooks, only non-offset circle hooks may be used for all baits.

The use of rigged artificial lures that have been rigged with treble hooks are permissible as per IGFA rules.

**NOTE:** Anglers are warned that should they use the minimum length of line as specified in the “weak link” IGFA rule, there may not be sufficient line for testing for record purposes. It is advised that a minimum of 15 meters be used.

All fish measured and released unscathed, will be deemed as the angler’s total quota of fish for the day. Once a fish has been recorded by the skipper on the official weigh sheet, it will be deemed as binding. Clear video footage of the fish swimming away is required for each fish.

If a fish is measured and recorded and is unable to swim away unscathed, that fish may be boated but NOT brought to the weigh station at all. Such a fish will be utilized or donated to the under-privileged, and will not count towards the days total. The Skipper remains the Tournament and SADSAA’s referee to ensure the adherence of these rules.

**There will be no more than two (2) lines per angler in the water at any one time.**

The team, boat and individual scoring the highest number of points shall be the winner. Weighing will be as per the allocated colour coded weights of the fish on the supplied measuring stick. In the event of a tie, the team, boat, individual and skipper with the lesser number of individual qualifying fish will win. The results of the Tournament will be decided over the actual number of days fished.

The Skippers positions over the Tournament will be determined by the SADSAA point scoring system.

**TOURNAMENT ADJUDICATION COMMITTEE**

There shall be a Tournaments Adjudicating Committee consisting of at least three but not exceeding five persons who shall be appointed by the host country and whose names shall be published before the commencement of the Tournament.

**MINIMUM WEIGHT.**

Minimum sizes will be the legal Legislated sizes for the species prescribed by DFFE but shall not be less than the following:

**Longfin Tuna (Albacore) - 10 Kg**  
**Yellow fin Tuna - 20 Kg.**  
**Big Eye Tuna - 20 Kg**  
**Southern Blue Fin - 20Kg**

No angler shall, on any day, catch or be in possession on any boat, of more than the maximum number of fish permitted by the current legislation.

## **BAIT**

10 x 5kg boxes of pilchards will be supplied and available for collection at the beginning of each day. It is the responsibility of the boat anglers to collect this. No other bait, other than that purchased from, or supplied by, the tournament organizers or bait caught at sea on the day may be used.

Any bait that was not used for the day can be carried over for the following day.

## **FISHING TIMES**

Fishing times will be from 6h00 to lines up at 15h00 every day except the last day.

Last day of tournament will be from 6h00 to lines up at 14h00

All fish must be hooked by the "Lines-Up" time and teams which report by radio, before lines-up time, the fact that a fish is hooked but not yet boated, will be allowed extra time of maximum of one(1) hour. Any fish hooked by an angler after "Lines -Up" will be disqualified. No extra time will be allowed on the last day.

Fishing hours may be adjusted during the Tournament by the organisers if they deem it necessary for the purpose of safety. Should the organisers wish to extend fishing hours beyond the published times, for whatever reason, then all teams must be informed before the launching of the boats on that specific day.

All teams must report to the scales for "weigh-in" by not later than the time specified by the organisers, unless the organising committee decide, for reasons of breakdown or rendering assistance to a distress call, to extend the weigh-in time, for that specific craft only. The decisions of the adjudicating committee will be final.

Should the decision be taken to call the Tournament to a halt by either a "on-sea" or land-based Safety Committee, then all boats will immediately return to the harbour. Any boats fighting fish will immediately cut the line and proceed to the harbour.

If the Tournament is called off due to a weather or a safety call then no boats taking part in that tournament will be allowed to proceed to sea on their own accord, or if the tournament is called off whilst at sea then no boats participating in the tournament will be allowed to stay out at sea and continue fishing.

## **BREAKDOWN OF TOURNAMENT BOATS**

Should any craft break down during the Tournament this must be reported by radio to the Adjudicating Committee immediately. Lost fishing time will not be made up, but the Adjudicating Committee will endeavour to replace or repair the broken-down craft as soon as possible.

## **WEIGH-IN AND JUDGING**

Weigh-in will be by clear time stamped photograph or video footage taken by the anglers or skipper. The official footage must have a clear date and time visible on the video or photograph.

All anglers on a boat and the skipper must be present at the weigh station. The footage must be submitted by the Captain to the Weigh Master and his decision in all respects is final and binding.

Each team's catch shall be recorded on a catch return form furnished by the Tournament host. This form must be signed by the boat captain, Skipper and weigh master at the Weigh-in.

The anglers shall be required to exhibit the bait (lures), rod, reel and any relevant tackle with which the fish was caught, to the Weigh Master, if the Weigh Master so deems it necessary.

The Adjudicating Committee may investigate and act upon any incident occurring during the Tournament as they deem necessary.

Any protest, concerning the validity of any catch, shall be filed in writing accompanied by a R 1000-00 fee, signed by the protesting team and delivered to the Tournament Adjudicating Committee within one hour of the close of Weigh-in on the day in question.

The decision of the majority of the Adjudicating Committee shall be final.

If the objection is upheld, the protest fee will be returned; if set aside, then the protest fee will be retained by the organising Tournament Committee and utilized as they deem fit.

## **PRIZES**

Prizes shall be in the form of pins and/or trophies only and shall consist of the following minimum number of awards.

1st Place Team - Gold Pins and Trophy (max of 9 anglers with total score added and divided by number of team members)

2nd Place Team - Silver Pins

3rd Place Team - Bronze Pins

1st Place Boat - Gold Pins and Trophy (max of 3 anglers per boat) 2nd Place Boat - Silver Pins

3rd Place Boat - Bronze Pins

1st Place Angler - Gold Pin and Trophy 2nd Place Angler - Silver Pins

3rd Place Angler - Bronze Pins

1st Place Lady Angler - Gold Pin and Trophy 2nd Place Lady Angler - Silver Pins

3rd Place Lady Angler - Bronze Pins

1st Place Skipper - Gold Pin and Trophy 2nd Place Skipper - Silver Pins

3rd Place Skipper - Bronze Pins

## **COMMUNICATIONS**

All radio communications between Tournament boats and between the organisers and Tournament boats will be initiated by a call-up on VHF Marine Channel 71 only, unless otherwise instructed by the organisers.

## **COMPETITORS**

A Team may consist of a maximum of 12 (twelve) anglers, preferably in multiples of 3 (three)

A Boat will consist of a maximum of 3 (three) anglers, with a maximum of 4 (four) boats per country.

Awards will be for top teams, top boats, top anglers and top skippers.

**INFRACTION:** Any person, including Skippers, guilty of infraction of the rules may be disqualified from participating further in the Tournament and all future Tournaments sanctioned by SADSAA.

The latest IGFA Rules will apply and the onus will be on participants to keep themselves informed of the latest rules and amendments.

## **GENERAL**

All anglers will, prior to the commencement of the Tournament, sign an indemnity form, which indemnifies the host Province, SADSAA, the sponsors and any person involved in the Tournament or the organisation thereof.

Each country must supply an audio recording of their country's National Anthem.

Acceptances/non-participation to the invitation must be returned by email, no later than the final date specified by the invite.

## **POINT SCORING – METHOD OF CALCULATION:**

The points for each individual fish will be calculated as follows:

The individual fish weight in kilograms, as given by the measure stick, divided by the line strength in kilograms.

The result is then squared and then multiplied by 32.

EXAMPLE: A 50kg Yellowfin Tuna caught on 24kg Line Class  $50\text{kg} \div 24\text{kg Line Class} = 2.08$

$2.08 \text{ squared} = 4.33$  which is then multiplied by 32 = 138.56 points

Top Team will be determined by the combined scores of each of a country's boats divided by the number of boats per team. Any "Barbarian" boats or boats made up of anglers from different countries do not qualify and may not be included in the Top Team award.

Top Boat will be the boat with the highest combined score for the tournament.

Top Angler will be the individual angler who scores the highest combined score for the tournament.

Top Lady Angler will be the individual lady angler who scores the highest combined score for the tournament.

Top Skipper will be determined by the SADSAA scoring system.

# EXPRESSION OF INTEREST

Countries who are considering participation in the Tournament are cordially invited to complete this form and email it to the email address below.

A fully completed expression of interest form from a country should be returned by no later than the 30<sup>th</sup> of September 2023 including a 50% refundable deposit of the total amount of the entrance fee €5885 per 3 man boat. The remaining 50% of the entrance fee is payable by the 1<sup>st</sup> of December 2023 to secure your spot in this prestigious tournament.
